

Accessibility Policy

Reviewed and Updated December 2025

At Sacred Arts Camp, we are committed to ensuring that everyone—regardless of ability—can fully enjoy their experience. We welcome people from all walks of life and strive to make the Camp accessible to all.

This document outlines key information to help you plan ahead. Because the Camp takes place outdoors in a natural environment, pre-planning is important, especially if you have specific access needs. If you need support or have questions, please contact us at hello@sacredartscamp.org.

Site Overview

Sacred Arts Camp takes place in a field, and the natural landscape can present some access challenges.

- **Access to the field:** Entry is via an uneven dirt path, which can be difficult in poor weather.
 - **Terrain:** The 15-acre site includes grassy areas, gentle slopes, uneven ground, and sections that may become boggy when wet.
In very wet conditions, some areas may not be suitable for wheelchairs or mobility aids.
 - **Paths:** There are no paved paths on site, though we aim to make movement around the field as accessible as possible.

Facilities on Site

Parking

A designated car park is located near the site entrance. It is sloped and can become muddy in wet weather.

During arrivals and departures, vehicles may enter the field for unloading. Once Camp begins, all vehicles must remain in the car park unless they are:

- pre-booked live-ins
- emergency vehicles
- authorised delivery vehicles

The Gate Dome

The Gate Dome is your main point of contact for information, assistance, and support.

It is a large geodome with a wood burner.

If you have access needs during the week, the Gate Team can help with information, advice, or coordination.

Campsites

Campers sleep in circles of around 20 people around a shared fire pit.

Some circles are flatter or closer to accessible toilets.

If you have specific requirements, please contact us ahead of time so we can help plan your stay.

Alternatively, the Gate Team can help you select a suitable spot on arrival.

Showers

Daily wood-fired showers are available, including one accessible shower cubicle located on the lower part of the site (not next to the accessible toilets).

Toilets

Multiple compost toilets are positioned along the site boundary, including two accessible toilets.

Café

The café is open daily and is located in a large marquee on flat, well-drained grass near the village green. If you have dietary requirements, please email hello@sacredartscamp.org before Camp so we can try to accommodate your needs.

Shop

The shop is a large frame tent offering essential food and household items. Shop assistants can help you with any purchases or requests.

Village Green

A flat, grassy central space used for sports, games, circle dancing, and other activities when weather allows.

Big Top

Our largest marquee, set on grass, used for dances and community meetings.

Carpet World (note this will be renamed for 2026)

A smaller marquee used for community activities, dance, and wellbeing sessions. (used to have carpeted flooring in previous years but after not being able to put down the carpet for 2025, it was decided not to have it in future years)

Creativity Tent

A large marquee on grass, equipped with tables and chairs for crafting and workshops. If you require specific reasonable adjustments, please email hello@sacredartscamp.org in advance.

Men's, Women's, and Non-Binary Areas

Geodesic domes furnished with carpets and hay bales, reserved as peaceful spaces for reflection and connection.

Toblerone

A permanent wooden structure used for singing, drumming, and other group activities. Located opposite the Big Top.

Meditation Dome

A geodome at the far end of the field used for meditation, sufi practice, and children's story time.

The floor is a mix of grass and rugs.

First Aid

The First Aid tent is located next to the Gate and is staffed daily from 8:00 AM to 8:00 PM.

In an emergency, alert the Gate Team so they can contact First Aid.

If an emergency vehicle is needed on site, First Aid and Gate Teams will coordinate access.

Additional Support

Personal Assistants (PAs)

If you require a PA due to disability-related needs, you may be eligible for a free PA ticket.

This is intended for those who need substantial support beyond what friends or family can provide.

You qualify automatically with one of the following:

- Front page of DLA / PIP
- Front page of Attendance Allowance letter
- Evidence of being registered severely sight-impaired (blind)

If you do not have these documents, you may still apply. Each request is reviewed by the Holding Group.

To request a PA ticket:

1. Email hello@sacredartscamp.org explaining your needs.
 2. Once approved, book your ticket through the website as a concession using the booking code that will be sent to you.
 3. Email your booking reference to us, and we will provide a code for your PA to book their free ticket.

Mobility Scooters & Electric Wheelchairs

You are welcome to bring your mobility scooter or electric wheelchair.

Because electricity is limited, please let us know in advance if you need charging access.

Live-In Vehicles

Pre-booked live-in vehicles are allowed on site.

Spaces are limited, so early booking is essential.

The Gate Team can assist with placement on arrival.

Quiet Space

If you require a quiet space to rest or decompress, please email us in advance at hello@sacredartscamp.org, and we will make arrangements for you.

Assistance Dogs

Sacred Arts Camp has a no-dogs policy.

However, registered assistance dogs are welcome.

You will need to provide proof from an organisation that is a member of Assistance Dogs UK.

Temporary Impairments

If you have a temporary injury or impairment, please contact us.

We will assess requests on a case-by-case basis and do our best to support you.

Accessible Communications

We aim to make camp materials accessible.

We can provide documents in alternative formats (e.g., large print or digital versions).

Please contact hello@sacredartscamp.org with your requests.
