## Page 3 - Select Payment Method

Select how you'd like to pay for your tickets. The quickest and easiest method is through Paypal - if you don't have or want a Paypal account you can still pay by Credit/Debit card through Paypal. If you select Cheque or Bank Transfer then you will receive an email once your booking is complete with the details of where to send your payment.

Some people may have purchased a ticket in 2020 and chose to carry the ticket over to this year. If this applies to you, you should have received a discount code in an email which will deduct the cost of your 2020 ticket from your 2022 ticket. If your total ticket cost this year is less than you paid the previous year then you will be contacted individually to be refunded for the surplus.
